

A NORTH WEST RUBBER COMPANY

ANIMATTRESS III

SPECIFICATIONS:

Thickness: 1 1/4" (31.75 mm)

Length: 72" (1.83 m)

Width: 48" (1.22 m)

Weight: 124 lb. (56 kg)

DURABLE

Constructed with 1 1/4" thick vulcanized rubber for long-lasting performance and durability.

SLIP-RESISTANT

Pebble top surface texture provides a non-slip surface which increases the cow's traction when it repositions or enters/exits the stall.

COMFORT

The alternating height, coned construction on the underside is engineered to provide support and cushioning for optimal cow comfort leading to increased lying times and improved milk production.

EASY INSTALLATION

Simplified installation with a variety of widths and lengths up to 48" x 72" and optional interlocking mattresses available.

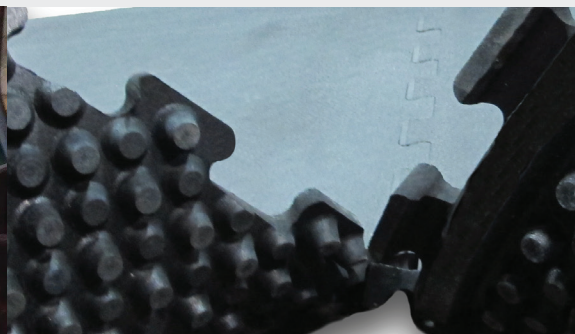

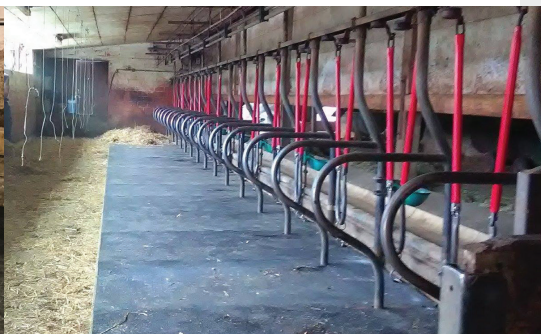

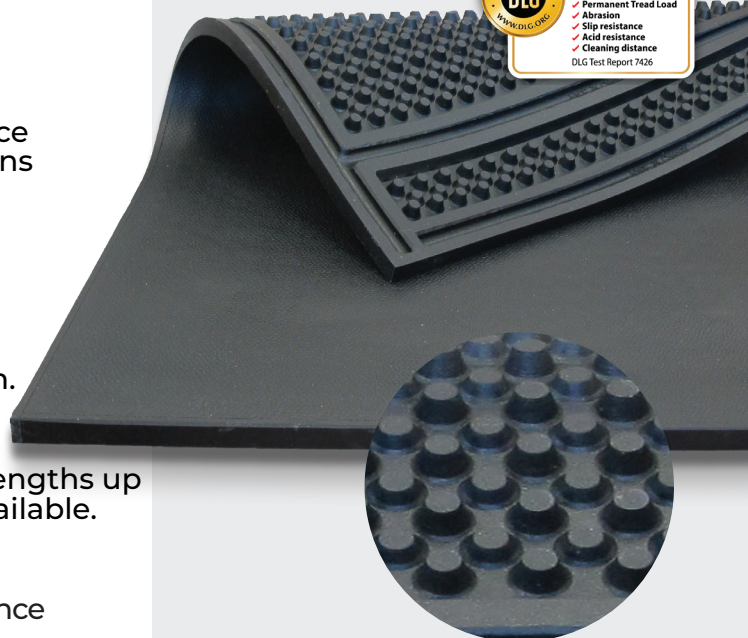

LOW MAINTENANCE

Easy to clean surface requires little to no maintenance once installed.

LONG LASTING

Backed by a 7 Year warranty.

Founded in 1983

Animat specializes in manufacturing recycled rubber matting and mattress solutions for livestock comfort.

Over 168 Million Square Feet

Animat has installed more than 168 million square feet of animal welfare improvement rubber matting products across more than 25,000 commercial agriculture facilities since 1983.
