Implemented in November 2001, CTPAT is a voluntary joint government-business initiative to build cooperative relationships that strengthen overall supply chain and border security. CTPAT plays a role in the war against terrorism and ensures a more secure supply chain

ANIMAT INC, its executives, management, and other policymakers commit to participate in the Customs Trade Partnership Against Terrorism "CTPAT" program, follow and maintain procedures and practices consistent with the CTPAT Importer Security Criteria. CTPAT impacts nearly every department within our organization as well as outside entities such as carriers and foreign suppliers. Security is everyone's responsibility, all Animat Inc. employees, contractors, service providers, visitors, and others are expected to comply with the CTPAT Importer Security Criteria as well as any policies, procedures, and instructions issued by Animat Inc.
